

Eagle's Nest (Thursday Virtual Folder)
2/10/22 Edition

A MESSAGE FROM OUR PRINCIPAL:

Eagleton community,

February is a month we celebrate the positive contributions of African Americans in this country. This month we celebrate black excellence by reflecting on our biases and how we must move forward and work to live in a truly inclusive and anti-racist society. Black History Month serves as a reminder of the Black community's injustices and a call to do better. Our students at Eagleton are learning about our Black history and we encourage our entire community to check out some valuable resources on our website:

Finally, below you will see some information about our Kids Heart Challenge. Please consider supporting this cause and also watch this awesome video from Mr. Webb!

As always, thank you for your support,

KIDS HEART CHALLENGE:

Hello Eagleton Elementary School Families,

We have officially kicked off the **Kids Heart Challenge** Road Trip with the American Heart Association, and we need your help!

The Road Trip started with your student(s) watching [this video](#) at school.

PARENTS – HERE’S HOW TO GET STARTED

Step 1. Visit our school’s Kids Heart Challenge page:

http://www2.heart.org/site/TR?fr_id=6320&pg=company&company_id=334555 OR download the **Kids Heart Challenge App** for [iPhone](#) or [Android](#) to search for our school and sign up!

Step 2. Complete Finn’s Mission – this will be your road map!

We have set a goal to raise \$500 donations to fight heart disease and stroke and we hope you will help us.

Why we support the American Heart Association: Every 40 seconds someone in America suffers from a stroke. Complete Finn’s Mission to learn how your family can recognize and react to a stroke FAST... because when it comes to stroke every minute matters!

Thank you for joining us on the road and helping us save lives!

SCHOOL CHOICE WINDOW IS CLOSING:

The [DPS SchoolChoice](#) open enrollment window for the 2022-23 school year is almost closed (Feb. 15, 2022.) [Apply now](#) before the deadline.

SchoolChoice is for any student who wants or needs to attend a new school for the following school year, particularly “transitioning” students, typically incoming kinder, sixth and ninth-grade students. All incoming preschool students, as well as incoming students who reside in an enrollment zone, must complete an application.

SchoolChoice is as easy as Find, Apply, Register!

Here’s how it works:

- FIND the best DPS school options for your student. Use the mobile-friendly [School Finder](#), read the [Enrollment Guide](#) (mailed to transition-grade families in early December), and contact schools directly for more information.
- APPLY between 10 a.m. Jan. 14 and 4 p.m. Feb. 15, 2022 by ranking your preferred schools (up to 12) using the [online SchoolChoice application](#). Create an account or sign in using your Parent Portal username and password. Access the application beginning at 10 a.m. Jan. 14.
- REGISTER with your school after you get your school placement results in late March 2022.
