

Eagle's Nest (Thursday Virtual Folder) 4/14/22 Edition

A MESSAGE FROM OUR PRINCIPAL:

Eagleton Community,

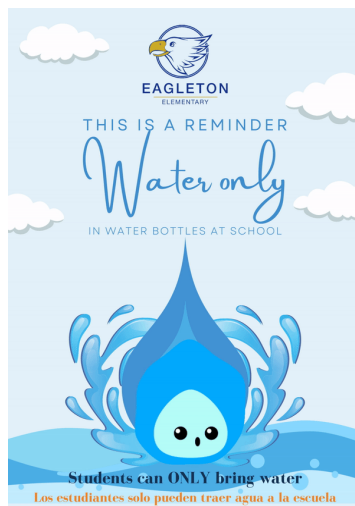

As I shared back in the fall, DPS is working through ways to address budget constraints given declining enrollment across many areas of the Denver metro area. At Eagleton, we have seen our own declining enrollment over the last 5-7 years. Eagleton used to be a school with about 460 students to now where we have about 250. For that reason, DPS is requesting your feedback about how to address this concern. As the Eagleton Principal, I am on the district's Declining Enrollment Committee in order to ensure that I can elevate the great work that Eagleton is doing. The committee also needs your voice. Please, share your feedback with the Declining Enrollment Committee here via this link:

<https://www.dpsk12.org/declining-enrollment/#en>

Thank you,

Janine Dillabaugh, Eagleton Principal

REMINDERS:

Sign up for Summer Connections! This is a free opportunity for ALL Eagleton students to engage in summer school learning. After a long pandemic and lots of interrupted learning this is a wonderful opportunity that our Eagleton families should definitely consider taking advantage of. Come or call the office for help in signing up!

IMPORTANT DATES:

CMAS Testing April 11- April 23rd for 3rd, 4th and 5th graders

No School for Eagleton - April 22nd

As always, thank you for your support.

Eagleton Elementary
