

EAGLE'S NEST (VIRTUAL THURSDAY FOLDER) FROM EAGLETON 11/11/2021

A MESSAGE FROM OUR PRINCIPAL:

Haga click [AQUÍ](#) para acceder en [ESPAÑOL](#)

Eagleton Families,

As we approach our fall break, I would highly encourage you to use the time off from school to sign up your child to get the COVID vaccine. Information is listed below.

As you know, COVID cases are rising and we need to all work together to stay safe and healthy. All staff and students will continue to wear a mask at school. If your child is sick, please keep them home for at least 24 hours after being symptom free, with no medication.

Thank you for your support and understanding as we continue to navigate in-person learning through a pandemic.

In gratitude,

Janine Dillabaugh

Principal

DENVER HEALTH PEDIATRICS ARE EXCITED TO BRING COVID-19 VACCINATIONS TO YOUTH AGES 5-11

DENVER HEALTH PEDIATRICS
AT DENVER PUBLIC SCHOOLS
SCHOOL-BASED HEALTH

Denver Health Pediatrics are excited to bring COVID-19 vaccinations to youth ages 5-11

Vaccines are offered at **NO COST**. The more students that get vaccinated against COVID-19 means safer schools for all students!

WHERE:	DATES:
Evie Garrett Dennis Campus	Tuesday, Nov. 16 (Second dose: Dec. 7)
West Campus	Tuesday, Nov. 16 (Second dose: Dec. 7)
Abraham Lincoln Campus	Wednesday, Nov. 17 (Second dose: Dec. 8)
Thomas Jefferson Campus	Wednesday, Nov. 17 (Second dose: Dec. 8)
South Campus	Thursday, Nov. 18 (Second dose: Dec. 9)
Skinner Middle School	Thursday, Nov. 18 (Second dose: Dec. 16)
Garden Place Academy	Friday, Nov. 19 (Second dose: Dec. 10)

Time for all dates: 4 – 7 p.m.

HOW TO REGISTER:
Online (the quickest option!):
To register for a vaccine, please click the link below and follow instructions for scheduling an appointment.
[DenverHealth.org/patients-visitors/coronavirus/covid-19-vaccination](https://denverhealth.org/patients-visitors/coronavirus/covid-19-vaccination)

If you do not have a MyChart account, you will need to create one. Please use your personal email to create your MyChart account. Once in MyChart you will be able to schedule your vaccine appointment.

Note: If you need login or support help, call MyChart support at 303-602-4380

By Phone:
If you don't have access to MyChart, you can schedule an appointment by calling 303-602-8958. Please listen to all options. Phone wait times may be long, but we want to help get your vaccine appointment scheduled as soon as possible. You can also call your local SBHC to schedule your vaccine appointment.

REMEMBER: If you are under 18, you need to get parental consent to get vaccinated. Please make sure your parent fills out a consent form and you bring it with you to the vaccine appointment. Children under the age of 11 must have a parent present at time of vaccination. Click [here](#) to download the consent for treatment form.

What we want you to know about the COVID-19 vaccine:

- The COVID-19 vaccine is safe for youth ages 5+
- The COVID-19 vaccine has been shown to be very good at preventing people from getting COVID disease
- People may have some side effects after the vaccine. These are normal signs that your body is building protection and only lasts a few days.

COVID vaccine available now
for children ages 5-11

COVID-19 Vaccinations

Denver Health is now offering [same-day, walk-up COVID-19 vaccinations](#) through two of their mobile health centers. Check out their calendar for dates, locations, and times. You can also pre-schedule an appointment by calling their mobile health navigators at (303)602-6115 (Monday-Friday 8am-4:30pm)

*Please check their website frequently for updates as additional mobile vaccine clinic locations and dates are added.

Note: At this time, their mobile vaccine appointments cannot be scheduled through the Denver Health Appointment Center like the other [Denver Health vaccine appointments](#).

Learn more: [Who is eligible for COVID-19 vaccination in Colorado?](#)

*Please check their website frequently for updates on when our vaccine appointments have opened up to the general public for scheduling.

- The COVID-19 vaccine is safe for youth ages 5+.
- The COVID-19 vaccine has been shown to be very good at preventing people from getting COVID.
- People may have some side effects after the vaccine. These are normal signs that your body is building protection and only lasts a few days.

Health Screens and COVID-19 Protocols

In response to increased COVID-19 cases in the City and County of Denver, Eagleton has reinstated classroom-based health screens for all ECE-5 students. As we enter the cold and flu season, all community members must be more vigilant in order to maintain the health and safety of our students and staff. Please do not send your students to school with any cold or flu symptoms. If your child is a close contact of anyone that has tested positive, notify Eagleton immediately. If your child is a close contact at school, we will notify you immediately. We will not share specific information about staff or students who have tested positive and your information will remain confidential as we complete the required contact tracing protocols.

The following documents can support your decision-making regarding when to keep your child home.

- [When to Keep Sick Children Home \(English\)](#)
- [When to Keep Sick Children Home \(Español\)](#)
- [COVID-19 Screening and COVID-19 Testing Decision Tree](#)

We will not take temperatures in K-5 classrooms. Only ECE students will have a temperature check at the door, per licensing guidelines. The screening questions that students are asked each day are listed below:

How are you feeling today?

- Feeling warm?
- Coughing?
- Hard to breathe?
- Muscle aches and chills?
- Sore throat?
- Runny nose?

- Smell and taste gone?
- Sick to your stomach?
- Is anyone you live with sick?
- Has anyone you live with been tested for COVID recently?

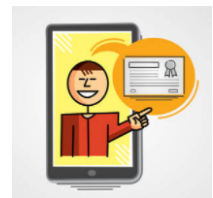

If your student presents any symptom throughout the day you will receive a phone to pick up your student. Your student may return to school when he/she **has been symptom free for at least 24 hours without the use of medicine like Advil® or Motrin® (Ibuprofen) or TYLENOL® (Acetaminophen).**

NOVEMBER CSC NOTES

Please click [HERE](#) to access our Eagleton Collaborative Committee Notes. This group is composed of Eagleton parents, teachers and staff.

NOVEMBER'S LUNCH MENU

- [November Lunch Menu](#)
- [November Breakfast Menu](#)

RECOGNITION ASSEMBLY - Friday, November 12

Unfortunately, due to COVID restrictions, families are not allowed to attend the assembly. Teachers will take pictures of students getting awards and send them to families, when possible. Please check your students backpack for your child's award(if a student received an award, parent/guardian will be notified via text message).
