

Eagleton CSC Meeting Notes

Date: September 13, 2021

Agenda:

- Introductions and review of committee guidelines
- Enrollment and Eagleton and Northwest region
- Review and feedback of Parent Compact and Heat Day Protocol
- Review and feedback on Eagleton UIP
- Open Forum
- Closing and Next Steps

Notes:

- Introductions of committee members
- Positions - Katie Strabala will take notes as secretary; Teddi Garcia will act as the committee chair
- Reviewed norms
- Reviewed updated [Bylaws](#)
- Enrollment updates: total number of students in our area is declining (2021-22 budget is for 245 students, Eagleton is currently at 214 students)
 - Normally, we would do fall adjustments by September 15 (no adjustments this year, we'll be budgeted at 215 for the year as a "small school")
 - DPS has committed to no RIBs (reduction in building) for this year; Eagleton will have to spend any reserve money/carryover from last year, and then DPS will make up the difference of the 32 missing kids through budget assistance
- Eagleton is 1 of 5 schools in the northwest region that is small and will likely be consolidated with other nearby small schools in some way
 - Discussed possible marketing efforts to draw student numbers
- Reviewed Parent Compact from Family Handbook ([English](#))/([Spanish](#))
- Heat Days: Eagleton does have Air Conditioning, but IF it goes out the school makes a decision
 - Could be Early Release at 12pm or Remote (asynch) Learning
 - Decision made by school's SLT by 4pm day before, parents notified by 5pm
- Reviewed Unified Improvement Plan for the year & the UIP development process and timeline
 - Major Improvement Strategy #1: Standards & Science Based Instruction

- Major Improvement Strategy #2: Equity & Unity
 - Brainstorming: How can the CSC/larger community be involved in these two strategies?
- Next Steps: Committee Members will provide feedback & approval to Janine on UIP, Bylaws, and Family Compact
