## **A MESSAGE FROM OUR PRINCIPAL:**

Eagleton community,

In the last two weeks, we at Eagleton have seen an increase in the number of cases for COVID-19, just like the rest of the nation. We are doing everything we can to communicate quickly with families and to take the proper precautions when necessary.

If you or your student are in contact with someone who is positive for COVID-19 please do not send your child to school and consider getting tested. If your student has symptoms, they need to remain home. This will help us all reduce the spread.

As always, thank you for your support,

*Janine Dillabaugh*

Eagleton Principal
